Title: Need to investigate into the alleged custodial killing of five persons of Muslim community in Telangana on 7th April 2015.

SHRI E. AHAMED (MALAPPURAM): Hon. Speaker, I would like to say that this is the House of the People. When a section of the people of our country have been put to difficulty and their fundamental rights have been taken away, there is no other place to represent their grievances and that is why I have to make a representation here.

Madam, what happened was very shocking. I would like to bring to the attention of this august House and the Government about two incidents, one which happened in Nalgonda, Telengana on 7th April and another one about the extra judicial massacre of 20 wood cutters which happened in Andhra Pradesh.

Madam, the seven persons who have been killed in Telengana may be accused in a case, but the State Government does not have any right to kill them in police custody. What happened was, these people were being brought to the court to stand trial in a case. But they have been shot dead in cold blood. This is an extremely shocking and shameful incident which happened in Telengana. It is very shameful that even after the formation of a representative Government in Telengana this kind of killing of innocent people has happened there. Of course, charges may be there. I am not denying it. But they cannot be killed like this. So, people have been asking for a judicial inquiry or at least a CBI inquiry to be conducted to inquire into this incident.

If such incidents happen, where will they go? What is their crime? Even if they have committed any criminal act, are they to be gunned down like this when they were being taken to the court for trial? It is a very shameful incident which happened in a democratic country like India. If the police think, they can do anything and everything to the members of the minority community, we will not allow that. This is a free country. This is the India ruled by Jawaharlal Nehru, this is the India ruled by Indira Gandhi and this is the India ruled by Vajpayee. Under their Governments, nothing of this sort has ever happened. It does not matter which party is ruling the State Government, whether Rama is ruling or Ravana is ruling, it does not matter. But the members of the minority community are suffering and so it is my right to raise this issue here and demand an answer from the Government. ...(*Interruptions*)

HON. SPEAKER: Ahamedji, you have raised the matter. It is over.

SHRI E. AHAMED : Madam, let me complete it. ...(*Interruptions*)

DR. M. THAMBIDURAI (KARUR): Madam Speaker, those 20 people who were killed in Andhra Pradesh are tribal people of Tamil Nadu. This is an inter-State problem. This is a cold blooded massacre of 20 people belonging to Tamil Nadu by the Andhra Pradesh Police. The Home Minister is sitting here. He has to respond and tell what action has been taken in this regard. I want to know whether the Government is going to conduct a CBI inquiry into these killings. ...(*Interruptions*)

Thambiduraiji, you are the Deputy Speaker. You can ask me if you want to speak. You should not talk directly to the Home Minister. All I am saying is, if he is ready, I am allowing him to respond. But please do not get angry like this.

गृह मंत्री (श्री राजनाथ सिंह) : अध्यक्ष महोदया, सदन के माननीय सदस्य जनाब ई. अहमद जी ने जो प्रश्न पूछा है, उसके बारे में जानकारी है लेकिन पूरे तथ्यों के संबंध में राज्य सरकार से रिपोर्ट मांगी गई है। राज्य सरकार की रिपोर्ट प्राप्त होने के बाद जब भी आपकी इजाजत होगी, या तो मैं माननीय सदस्य को अवगत करा दूंगा और यदि आवश्यक हुआ तो सदन को भी अवगत करा दूंगा।
